The state of California has been authorized to develop and deliver a set of foreclosure prevention programs using \$2 billion in federal funding. These programs are available NOW to eligible California families facing a financial hardship.

About 100,000 eligible California homeowners will benefit from this assistance. Will one of them be you?

Getting started is simple.

Just visit **KeepYourHomeCalifornia.org**, or call **888.954.KEEP (5337)** and take the first step to Keep Your Home.

You will never be asked to pay a fee to participate in the Keep Your Home California programs. You should beware of anyone who asks you to pay a fee in exchange for a counseling service or modification of a delinquent loan.

The "Keep Your Home California" program is administered by the CalHFA Mortgage Assistance Corporation (CalHFA MAC), a nonprofit public benefit corporation closely affiliated with CalHFA. Although the funding commitments and obligations are solely the responsibility of CalHFA MAC, and not the California Housing Finance Agency, CalHFA has granted a limited license to CalHFA MAC to use the name "CalHFA" in marketing materials.
